

LOOMING LEADERSHIP CRISIS IN HEALTHCARE:

A survey of healthcare executives

December 2018 survey of healthcare CEOs, CHROs and other members of the C-suite at nearly 70 U.S. hospitals and healthcare systems.

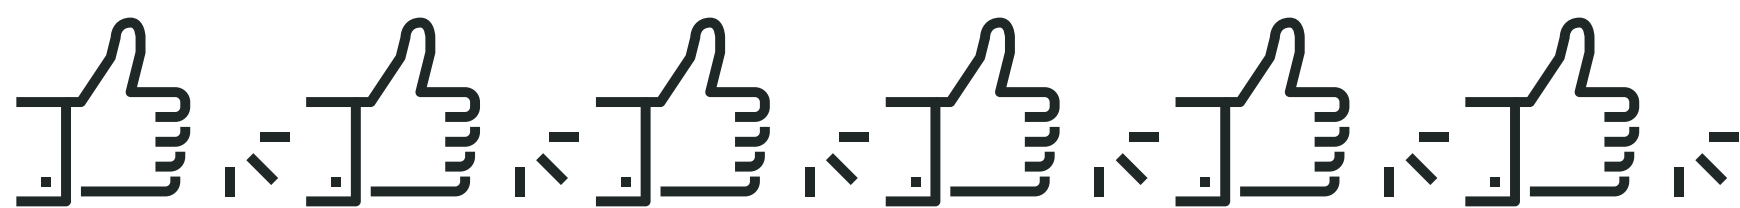

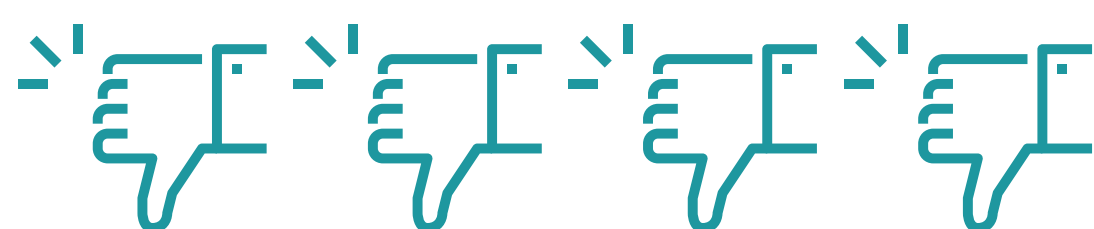

54%

say that if something happened to their CEO, there would not be a ready-now successor.

43%

disagree that they have an effective CEO succession plan in place.

66%

are more concerned about the age of members of their C-suite than they were 5 years ago.

85%

believe members of their C-suite can embrace the rapid pace of technological advancements in healthcare.

About Korn Ferry

Korn Ferry is a global organizational consulting firm. We help clients synchronize strategy and talent to drive superior performance. We work with organizations to design their structures, roles, and responsibilities. We help them hire the right people to bring their strategy to life. And we advise them on how to reward, develop, and motivate their people.
